

VEX Robotics headed to World Championship

Our two Vex teams dominated the Cranbrook Michigan Vex Robotics Tournament at Cranbrook Middle School; Bloomfield Hills, Michigan on Saturday February 14th; winning the Robot Skills Champion Award and placing first place and earning the Tournament Champion Award. Both teams were on the same winning alliance of two. There were only two teams per alliance. These first place finishes earned both teams a spot in the Vex World Championship to be held in Dallas, TX April 30 - May 2, 2009.

Member of the two Teams are:

Team 829a

Nick Shaffer

Trevor Whittington

Team 829t

Alex Stoakes

Nick Woerner

The VEX Robotics World Championship is a gathering of top robotics teams from around the world to celebrate their accomplishments and compete with/

against the best of the best. The 2009 VEX Robotics World Championship will include top teams from approximately 100 VEX Robotics Competition tournaments happening in cities around the world from October 2008 to April 2009. To make the World Championship celebration even more accessible to top performing teams, space has been secured to ensure that each and every winning team from any official VEX Robotics local tournament with 12 teams or more will qualify for the World Championship. Teams will play the game Elevation for the 2008-2009 season.
